

SENIORS LED 6-1 RECORD

Led by seniors Kathy "K.C." Carroll, Sandy "Stew" Stewart, Karen "Kar" Choma, Diane "Di" Burt, Lynn "Pilar" Beltran, Sandy "Sand" Henkey, and Kathy "Kath" Faunce, the girls' varsity tennis team ended their season with a 6-1 CAC record.

The team worked with determination and dedication with the inspiration and guidance given by Coach Pat Somers. The team entered regional competition in a good position to compete at the state finals, and although they missed the state opportunity by three points, they brought home a fourth

place finish out of thirteen teams.

To enter State competition a team must finish in the top two slots, and only the first singles player has the opportunity to qualify for State if she finishes first or second in her division. Representing Holt at State was senior Kathy Carroll. After winning her first round match 7-6, 6-3, K.C. was defeated 6-1, 1-6, 2-6 in second round competition. She brought home an eighteenth place finish out of twenty-two teams, which tied Holt for seventeenth place.

"It was a fun and rewarding experience competing at State my senior year, but unfortunately, the team did not have the chance to advance with me. I felt the competition was too individualized because the team wasn't there," stated Carroll.

ROW 1: K. Carroll, S. Stewart, K. Choma, L. Beltram. **ROW 2:** K. Faunce, J. Harper, J. Klepper, L. Gingrich, P. Shewchuck, D. Burt, A. Schoonover, M. Ward.

And Another One Bites The Dust

Throughout the season, Mrs. Sally Carroll's bologna spread, Mrs. Dottie Stewart's chocolate marshmallow cookies, gallons of hot chocolate, and orange gatorade kept us happy while we waited for the rain to stop and sang "Another One Bites The Dust."

From sunny 70 degree weather to the brisk, unpredictable 50 degree weather, the team kept their spirits high and warm by cuddling up in sleeping bags. Sweat-suits, mittens, hats and scarves became the popular fashion.

According to senior Sandy Stewart, "The team shared a closeness with each other that brought tears flowing at the end of the season. Getting pumped together, winning, losing, laughing and crying were commonly expressed."

The traditional banquet at Casa Nova gave us one more chance to reminisce about the season.
