

# Netters capture fourth in CAC

Losses at each of the first five matches didn't seem to discourage the varsity tennis players, who finished their 1977 season with a 5-10 record. Brilliant end-of-season play gave Holt an outstanding fourth place in the CAC and a third place rank in the regionals. Though the boys missed qualifying for state by just one point, eight returning lettermen are looking forward to another chance to make state next year.
